

Report

World Environmental Day was celebrated along with mission 'LIFE' for sustainable tomorrow on 5th June 2023 by Unnat Bharat Abhiyan (UBA) cell of NERIST in collaboration with Horticulture Section, NERIST by planting saplings of various tree species under the leadership of Prof. P. Lingfa, Regional Coordinator (RCI) UBA and Dr. A. Pal, Member UBA NERIST and Prof. Awadhesh Kumar, Dept. of Forestry & Incharge, Horticulture Section, NERIST, Nirjuli-791109, Itanagar, Arunachal Pradesh. More than 60 ornamental and fruiting plant saplings were planted along the main road sides of the Degree Block Campus, NERIST. On the occasion of World Environmental Day 2023 and Mission 'LIFE', Prof. Lingfa, RCI, NERIST briefly stated the importance of tree plantation as an essential tool to reduce the impact of global warming and climate change on human society and various ecosystems, and encouraged to make the campus CLEAN and GREEN for a healthy working environment. Several other faculty members, Staff and students of NERIST participated during the plantation programme.
